

## CV | Florian Weidinger

Fund manager of the NESTOR Far East

Florian Weidinger has managed NESTOR Far East since April 2017. Florian Weidinger lives in Singapore, where he launched his own company – Hansabay – in 2011.

Having gained a BSc degree at London's City University, he went on to gain an MBA at the Stanford Graduate School of Business and an MS in environmental sciences at Stanford University in California.

He has more than 12 years of experience of identifying, analysing, managing and processing holdings and exchange-listed investments in a variety of asset classes in Europe, Africa and Asia. Now aged 35, he had worked as an M&A advisor and investment manager in London before setting up Hansabay.
